International Trade Fair

Present your company, product and services to the international hydrogen and fuel cell community. Use your booth as a base for business meetings and as a branded platform to display your expertise.

We offer a full service hassle-free booth package, including booth building and furniture. Just bring your brochures and exhibits, everything else is taken care of.

Different country pavilions also offer the option for a joint appearance, giving a country-based impression of available expertise.

The Impulse Summit for Hydrogen and Fuel Cells

Haus der Wirtschaft, Stuttgart, Germany
September 10+11, 2019

impulse · together · excellent

f-cell.de

#fcell19

2-day Impulse Summit

The conference will provide an up to date overview of relevant hydrogen markets and technologies worldwide, while the international trade fair, interactive workshops, in-depth topic tables and business matchmaking opportunities offer ample networking opportunities.

f-cell is a meeting place for pioneers, policy makers and visionaries to form valuable and lasting business relationships.
