

## **First German 24-hour Hydrogen Challenge**

**September 9 and 10, 2019**

### **COMPETITION RULES**

1. Participating Teams shall pay the costs (Industry € 1,595 | Institutes and Universities € 995 | Private € 495 - ex VAT per Team) for participation in the 24 hour German Hydrogen Challenge in time (i.e. before September 9, 2019)
2. Teams must appear on time at the start line. Appearing too late or a no show means exclusion from participation in the German 24-hour Hydrogen Challenge.
3. There is no refund of registration fees.
4. Participants in the German 24-hour Hydrogen Challenge adhere to the local traffic regulations at all times.
5. Participants take other road users into account and will not hinder them.
6. Participants pay attention to each other's safety.
7. There is one navigator per Team (note: the navigator may never be a driver at the same time). He watches over the driver. A Team consists of at least 3 members. Resting is mandatory and can take place in the rear seat.
8. A driver may drive non-stop for a maximum of 2 hours. The driver must then be changed. The changed driver has a mandatory rest period of at least 1 hour. It is allowed to combine this with the role of navigator.  
Each Team member runs a maximum of 8 hours. Each team member must rest during the German 24-hour Hydrogen Challenge for 8 hours.
9. Safeguard clause: By completing and sending the German 24-hour Hydrogen Challenge entry form, the entrant and the members of the Team (hereafter individually and collectively: "the participant") declare that they are known and agree to the following (indemnity) clause.

10. All participating Teams provide their own car. A decorated or glamorized car can contribute to the total score.
11. Each car must be provided with stickers with the event logo and sponsor logos. These are handed over to the Teams on the Challenge Day. The car must appear clean and as dust-free as possible at the start and the front doors - both left and right - must be free of any communication, so that the Challenge stickers can be placed in an orderly manner.
12. Participants will receive further information (Rule Book) about the Rules before the German 24-hour Hydrogen Challenge.
13. During the German 24-hour Hydrogen Challenge, Teams will receive questions and assignments that are always related to sustainable mobility.

## **DISCLAIMER**

1. The Participant has taken note of the German 24-hour Hydrogen Challenge regulations (hereinafter: "the event") and declares that they will comply with them.
2. The Participant declares that he / she is physically and mentally healthy as well as capable of participating in the event.
3. Participant is aware of the fact that participation in the event, both for the participant and for third parties, as well as for his / her goods and / or goods from third parties, includes risks of damage - including personal injury, property damage and consequential damage - , which risks are accepted by the participant.
4. Peter Sauber Agentur, its (Co-) Hosts and its employees and partners accept no liability whatsoever for any damage that the participant suffers in connection with participation in the German 24-hour Hydrogen Challenge, unless that damage is due to intent or gross negligence on behalf of Peter Sauber Agentur. The participant declares that he / she shall not hold Peter Sauber Agentur, nor the persons or bodies referred to above, liable for any damage, material or immaterial, including injury, including injury suffered by him / her in connection with participation in the event.
5. Because the event concerns a rally, the participant declares that (the use of) the participating car is insured, as required by law. Participant also declares that he / she as a driver is in possession of a valid driver's license. If the navigator does not have a valid driver's license, he will not participate as a driver in the event.
6. Contact Host: Peter Sauber Agentur Messen und Kongresse GmbH, Wankelstraße 1, 70563 Stuttgart, Germany, +49 711 656960-55, silke.frank@messe-sauber.de, www.f-cell.de
