f-cell 2020 Digital Event Proceedings Package

The Proceedings Package provides you with a personalized access code to stream the videos and view the speakers' presentations at your leisure. Content will be available for streaming for a minimum of 6 months from the event date (Sept. 29+30, 2020).

For the **price of 500 EUR plus 19% VAT**, you will receive a link and access code for the online platform containing session videos and speaker presentations.

After we have received and responded to your request, a payment can be made **via IBAN Transfer**. If you are not based in a country where IBAN Transfers are supported, we will contact you to arrange a suitable payment method.

Please note: **The access code is non-transferrable** and is not to be shared. Presentations are published based on agreement of the speakers; therefore, some presentations may not be available in their entirety.
